## 5. Gold Membership – Additional Contribution to the Special Works Fund

The Special Works Fund relies on Gold Memberships to support recommended projects of the Policy and Special Issues Committee. Anticipated exposure for 2022-23 includes issues such as:

- Input to changes foreshadowed to various Government Policies, Regulations and Codes of Conduct that directly impact the operations and future viability of the industry;
- Revision of the CMCA Working Safely with Geotechnical Risk in Quarries guideline;
- Development of a financial assurance calculator for construction and demolition waste recyclers;
- Development of CMCA management guidelines for environmental dust and environmental respirable crystalline silica dust;
- Continued development of CMCA Training Manuals;
- Explore greenhouse gas emissions in the construction material industry;
- Explore the relationship of Aboriginal Heritage to extractive industry applications.

**Please Circle your Contribution to the Special Works Fund:**
